MIM Program Requirements Checklist
Technology Development and Deployment

Core Courses (12cr.)-Required; Taken with first 18 credits of study

_____ INFM 600-Information Environments
_____ INFM 603-Information Technology and Organizational Context
_____ INFM 605-Users and Use Context
_____ INFM 612-Management of Information Programs and Services

Advanced Technology Courses (6 cr.)-Two courses from the following

_____ INFM 718B Building Human Computer Interface
_____ INFM 718G Web-Scale Information Processing Applications
_____ INFM 718N Web Enabled Databases
_____ INFM 743 Development of Internet Applications
_____ INFM 741 Social Computing Technologies and Applications
_____ INST 733 Database Design
_____ INST 734 Information Retrieval Systems
_____ INST 728F Computational Linguistics I
_____ INST 728C Computational Linguistics II
_____ Other course from Computer Science (CMSC) with permission
Project Courses (6 cr.)-Required; Taken last two semesters of study
___ INFM 736 Information Management Experience
___ INFM 737 Capstone Experience

Course on Information Architecture (3 cr.)
___ INFM 700 Information Architecture

Course on Technology Design and Application (6 cr.)-One course from the following
___ INFM 613 Systems Analysis and Planning
___ INFM 702 User Interaction with Information Systems
___ INFM 718J Communities of Practice-Online Communities
___ INFM 722 Copyright, Privacy and Security Issues in Digital Information
___ INFM 718V Organizational and Business Process Modeling
___ INST 631 Fundamentals of HCI
___ INST 714 Information for Decision-Making
___ INST 715 Knowledge Management
___ INST 741 Social Computing Technologies and Applications

Elective Course (6 cr.) possible elective courses include, but are not limited to:
___ INFM 620 Introduction to Strategic Information Management
____ INFM 706 Project Management
____ INFM 720 Seminar in Strategic Information Management
____ INFM 714 Principles of Competitive Intelligence
____ INFM 732 Information Audits and Environmental Scans
____ INST 607 E-Government: Information, Communication, and Policy
____ INST 610 Information Ethics
____ INST 630 Programming for the Information Professional
____ INST 612 Information Policy
____ INST 660 21st Century Leadership
____ INST 701 Special Topics: Research Methods
____ INST 716 Information, Technology, and Society
____ LBSC 680 Principles of Records and Information Management
____ LBSC 735 Legal Issues in Managing Information
____ Other LBSC, INFM, and INST courses

Total Credits: 36
