The Master of Information Management program provides you with many opportunities to advance your career in information management. To ensure that the program is a good fit for your background, interests, and abilities, it is important for us to have a good understanding of your goals and how you see those fitting with the activities you will be doing if accepted to the MIM program. Write and upload a 500-word essay explaining why you are interested in the Masters of Information Management program and why this program is a good fit for your professional/career goals (in your essay, consider answering the following questions):

1. What do you see as the most significant opportunities for you in the information management field?
2. What about your background, education, or expertise makes you well suited to take advantage of the opportunities that you see?
3. What have you done in the past and what do you plan to do in the future to advance your career in the information management?
